SUMMARY

As a Senior Business Development Representative with over 5.5 years of experience, I specialize in lead generation for both international and domestic markets. My role involves setting up meetings and establishing initial interactions with clients. I work closely with the sales team to drive growth and achieve business objectives. I have developed a strong understanding of the sales funnel, from attracting and nurturing prospects to successfully converting them into long-term customers.

WORK EXPERIENCE. 5

RDSolutions - 13th May 2025 (Present)

Senior Business Development Executive

Key Responsibilities:

- Identify, research, and generate high-quality leads for RDSolutions' services including Web Scraping, Staffing, AI/ML, and Data Engineering.
